## SPRING 2024 NEWSLETTER

### HAVE YOUR SAY

A Patient Participation Group (PPG) is a group of patients, carers and GP practice staff who meet to discuss practice issues and patient experience to help improve the service.

We aim to hold a PPG meeting twice a year our next one will be on **4<sup>th</sup> June 2024 at 1PM** in the Surgery.

**Any of our patients can drop in and share their thoughts and feedback on how we are doing.**

**Other ways to give feedback:**

#### Just a kind reminder

Immunising your child is a safe and important way to protect them from diseases. Once your child has been vaccinated against a disease, their body can fight it off better. When children are not vaccinated, they are at higher risk of catching, and becoming very ill, from the disease.

If you are unsure about whether your child has had all their routine immunisations, contact us, or book a Nurse's appointment to find out.

#### Just a kind reminder

NHS cervical screening helps prevent cervical cancer. Cervical screening is for women and people with a cervix. We offer screening every 3 years from age 25 to 49 and every 5 years from age 50 to 64. This is because most cervical cancers develop between these ages. First invitations arrive a few months before people turn 25.

You can book your appointment as soon as you get your invitation.

#### For Your Information

We will be closed for training on **Wednesday, 26<sup>th</sup> June 2024 from 12:30 PM.**

#### Here's what our Patients think of our service.

"I found the Receptionists very polite and professional and the nurse I personally had an appointment with was amazing, she was very kind and made me feel very comfortable after a bad experience I had 3years previous. My 15-year-old Daughter also had an appointment with the same nurse and was brilliant with her too."

"The service I receive is consistently excellent. All staff are friendly and approachable. I have always been treated promptly and cannot praise the surgery highly enough. Thank you."

"As always I received excellent care in a timely manner."

"Easy to check in, not long to wait. Nurse very professional & reassuring"

"Got appointment no fuss."
